

## TECHNICAL DESCRIPTION

### MARX S3/S3S ESD NM LOW

0499030968 / 1020030968

|          |                                                                                          |
|----------|------------------------------------------------------------------------------------------|
| Type     | safety footwear, low shoe designed as S3 / S3S                                           |
| Size run | 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48                                       |
| Standard | EN ISO 20345:2011 S3 SRC HRO<br>EN ISO 20345:2022 S3S SR HRO FO<br>EN IEC 61340-4-3:2018 |

### Material characteristic:

|                             |                                                                                                                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Upper material              | grey hydrophobic microfibre and grey hydrophobic mesh, decorative blue and grey printing on the sides<br>rubber toe part support and rubber heel part support, one reflective textile loop in heel part |
| Tongue                      | grey hydrophobic mesh, black elastic pocket sewn on the tongue to hide the lace                                                                                                                         |
| Collar                      | grey hydrophobic mesh                                                                                                                                                                                   |
| Lining                      | blue mesh                                                                                                                                                                                               |
| Insole                      | SUPREMA Gel insole                                                                                                                                                                                      |
| Collar's and tongue padding | polyuretan foam                                                                                                                                                                                         |
| Toe cap                     | composite toe cap with carbon fibre (nano)                                                                                                                                                              |
| Plate                       | kevlar                                                                                                                                                                                                  |
| Fastening                   | LACER XTR system, blue elastic lace with black plastic slider and black plastic end                                                                                                                     |
| Fastening components        | textile loops with reflection                                                                                                                                                                           |
| Stitching                   | grey polyester threads                                                                                                                                                                                  |
| Outsole                     | CORN EVA/rubber                                                                                                                                                                                         |
| Logos                       | rubber logo BENNON on the tongue<br>rubber logo ULTRALIGHT in heel part<br> ESD logo on rubber heel support patch    |
| Marking                     | label at tongue's lining with name, artical number, size, production date, standard and address of company                                                                                              |
| Packaging                   | 10 pairs/carton                                                                                                                                                                                         |
| Printings                   | BENNON box<br>BENNON user manual<br>BENNON wrapping paper<br>BENNON labels with pictograms in shoes<br>BENNON hangtag                                                                                   |
| Weight                      | 1036 g/pair (size 42)                                                                                                                                                                                   |
