Producer	BENNON Group a. s. Šedesátá 7015, 760 01 Zlín, Czech Republic
Company ID	28322908
Tax ID	CZ28322908
Declares that the product	safety shoe cover
Categories	EN ISO 22568-1:2019 Front part of the shoe cover according to EN ISO 20344:2011 and complies with the requirements of condition B.

Purpose of use

The shoe cover with a protective toe cap serves as an accessory for footwear and is intended for temporary use by visitors or persons moving within a working environment where there is a risk of mechanical injury in the toe area. The protective aluminium toe cap used in the product was tested according to the following standard: EN ISO 22568-1:2019. The test results apply solely to this component. The front part of the overshoe was tested according to EN ISO 20344:2011 for slip resistance and complies with the requirements of condition B. The test was carried out only on the front part of the product; therefore, the results apply exclusively to this area. The overall level of protection of the product is influenced by the type of footwear on which the shoe cover is used.

Is identical with

The tests are recorded in test report No. 412603987-02 dated 12.03.2025 and were carried out by testing laboratory No. 1023 INSTITUT PRO TESTOVÁNÍ A CERTIFIKACI, a.s., Třída Tomáše Bati 299, 763 02, Zlín, Czech Republic.

Warning

this product is not an independent personal protective equipment within the meaning of Regulation (EU) 2016/425 of the European Parliament and of the Council. The protective properties of the product depend on the type and construction of the footwear on which the shoe cover is used. The product has not been tested as a complete system in combination with specific footwear; therefore, compliance with the requirements for personal protective equipment under the above-mentioned regulation cannot be declared.
